

TTTH 3813 Virtual Reality
Final Project (40 %)
Group Project (1 to 4 students)
Deadline: 2nd June 2025

Instruction:

You have to create a 3D mini-VR game related to **UKM** that will run on the PC using emulator (VR device simulator).

Requirements:

- Create a mini-VR Game related to UKM.
- Cannot reuse or submit previous Lab Assignment.
- The application able to allow players to **navigate**.
- The application must have **end game** (either by marks achievement or story-line)
- Must be **error-free**
- You can copy any material from online or other sources but must be modified by **at least 70%** of your work (you must write the details about original and modified in the technical section of your documentation report).
- Record the 3-5 minutes video of your game, including the presentation of introduction of the game and objective of the game. **Upload the video in Youtube before** presentation (make sure the link is set to Public).
- Upload the following documents in Google Drive and submit in UKMFolio before 2nd June 2025:
 - **Unity file**
 - **Video**
 - **Final Report**

Report:

Please ready the report using the template provided.

Presentation:

Presentation Date : 2nd June 2025 Monday (9am – 11am) /
3rd June 2025 Tuesday (9am – 11am)

Venue : MP 1

5 mins of presentation + 2mins Q/A

Evaluation Criteria:

1. Group Work Evaluation – 30% *(All group members receive the same base mark. This part may be adjusted based on individual contribution in Section 3.)*

A. Report – 10%

Criteria	Marks	Description
List of sources	3%	Mention all references and resources used
Explanation of changes	2%	Explain how the reused materials were modified (70%)
User guide/manual	2%	How to install, run, and play the game
Code walkthrough	3%	Simple explanation of major scripts or functions

B. VR Game Project File – 15%

Criteria	Marks	Description
Creativity & idea	4%	Unique game idea, clearly themed around UKM
Modification percentage	4%	Originality and evidence of at least 70% new work
Navigation	2%	Smooth movement and user interaction
Game ending	2%	Clear goal with win/lose or storyline
Error-free gameplay	1%	Application runs without bugs or crashes
Sound & music	2%	Includes audio feedback or background music

C. Video Demo – 5%

Criteria	Marks	Description
Gameplay video (3–5 mins)	2%	YouTube video shows gameplay with narration
Game objective explained	3%	Clear purpose of the game is explained

2. Individual Presentation – 5%

Criteria	Marks	Description
Game explanation	3%	Confident, clear explanation of individual role or game feature
Q&A session	2%	Able to answer questions from the audience/instructor

3. Contribution & Teamwork – 5% (Peer Evaluation)

Score Range	Contribution Level	Description
5%	Excellent Contribution	Actively contributed to most tasks and teamwork
3–4%	Moderate Contribution	Helped with some parts, moderate involvement
1–2%	Low Contribution	Helped a little or joined late
0%	No Contribution	Did not contribute or was absent

- Good Luck -
